

**OPHA YE Project – Focus Group Questions for Youth Groups
Revised May 21, 2010**

1. Tell us your name and your reason for joining the youth group.
2. What has your youth group been doing so far? (how many meetings, what do you do in the meetings, is there enough time, what activities have you planned)
3. On this piece of paper, write down 3 things you have enjoyed about the group so far, and 3 things which are not so good.

Have the kids volunteer to share their responses, beginning with the good things, and then the problems.

4. Concerning the problems, what could be done to improve things?
5. How much do you think you will be able to affect the kids in your school with the work you are doing?
6. Do you plan to continue working with the youth group in the fall? Why or why not?
